Here is a great opportunity to integrate Line One breeding into your program. 757 is a polled bull. He gets his polledness from the great CASHMERE that we purchased from Star Lake and that was bred by Jones Herefords. Then he goes back to our GL1 DOMINO 716 B out of the great CL 1 DOMINO 166. And finally you have his sire, the great performance sire HH ADVANCE 396N. And you get all with a 1.3 birth weight. This bull can make you a great cow herd.
