Jane liked to have cried but we decided to go all out this year with our consignments by putting some of the best in the sale. Besides being a super young cow, she has an RV Stocker 6662 heifer calf at side that's awfully good. RV Stocker 6662 is the up and coming sire that Genex now has leased. Look close at this lot. They will be hard to equal. Exposed to our Jr. herd sire LLL Mark 81U. Heifer calf tag #096 (Actual BW 67 lbs) Pending AI Cert.
